1. Facilities Update

The CLCS Portable project went to bid the second week of January and will stay out to bid for a total of two weeks. We anticipate meeting with AUSD to review bids and select a contractor for the project in early February. Once this is selected, the bid and contracting company will be brought to the CLCS Board in February for final project approval. Upon approval, we will conduct a site walk at the end of February to launch the project during the month of March.

2. WASC: Supporting ACLC and Nea's efforts

As both schools prepare for WASC site visits, site administration is working diligently through the WASC process. Both sites revamped their committees to align with WASC creating the following committees:

- Curriculum Committee (Staff stipend)
- Personnel and Instruction (Lead Facilitator)
- School Culture and Support (Staff stipend)
- Finance and Organization (Executive Director)
- Assessment and Accountability (Lead Facilitator/Curriculum and Instruction Coach)

ACLC's current probationary accreditation status cycle ends June 30, 2019, with a two-day visit in Winter 2019. ACLC is currently following their WASC Action Plan and began in-depth WASC work in September. WASC Chairs are David Hoopes and Molly Fenn.

3. Hiring Fall 2018

In an effort to start our hiring for 2018-19, we are looking to post positions during the month of February. We are registered to participate in several job fairs thus far, using every avenue we can identify to insure exceptional new hires in these relatively lean times. Marketing materials are being developed that will specifically target professional educators who are job seeking.
